

# WEKA DK32

## CORE DRILL

UP TO 350MM CORES, WEKA DK32 3-SPEED,  
3000W CORE DRILL

### TECHNICAL SPECS

PRODUCT CODE	400156
NOMINAL POWER	3200 W
RATED SPEED (1 / MIN)	230 / 460 / 720
LENGTH WITHOUT HANDLE	488 MM
WIGHT WITHOUT CABLE	11.9 KG
DRILLING DIAMETER CONCRETE	55 – 350 MM
TOOL FIXTURE	1 1/4" UNC
SUGGESTED DRILL STAND	CARDI C 520

### FEATURES

- 3-speed gear box with large drilling range
- Oil-bath lubrication for optimal gear lubrication, high efficiency and durability
- Overload clutch protection for operator, machine and tools
- Motor overload protection switch
- Soft start
- DC coated drill spindle with protection sleeves for maximum protection against corrosion plus high abrasion resistance of the running surface under the rotary shaft seals
- Anti-friction ring fixed on the drill spindle
- Aluminium motor housing
